### **STRATEGIC PLAN 2017-18**

- **Transform the campus into Green campus.**

The college shall be developed into a plastic free campus. The students and staff must be encouraged to reduce the use of plastic. Proper management of waste materials should be done effectively.

- **Bridge Course**

Every department shall conduct Bridge Course and Induction programmes for the first year students. The knowledge gap among the students shall be filled in at the the very onset of their degree programme

- **Certificate Course**

Every department shall strive to conduct certificate courses for the students to enhance the employability.

- **Automation of Library**

The Central Library of the college shall be automated. The students should be able to access the library from anywhere.

- **Alumni Contribution**

Every department shall try to contact the alumni and to be able to make valuable contributions to the college. Every department shall identify an area to develop.

- **Improving teacher quality**

Every faculty members should enhance their knowledge level by participating in orientation, refresher and short term courses.

- **Upgrade the college website.**

The college website shall be upgraded. Its reach should be increased. Online resources should be provided to the students through the website.

- **Student Exchange Programmes**

Student exchange programmes should be conducted for the students to give more exposure to the international and national institutions. MoUs should be signed with premier institutes in this regard.

A handwritten signature in green ink that reads "Abraham George".
