### Our Patron Saint

Our college is named after St. Stephen, the first of the ordained Deacons and the first Martyr of Christianity. His biography and an elaborate apologia by him before Jewish council are recorded in The Book of Acts in the Bible. Justifying the meaning of his name - the crown - he was truly a 'crown' of the Church. He was a mirror image of Christ in every sense and was a man of faith, wisdom and of the Holy Spirit. A great orator and a fearless advocate of his faith, St. Stephen was accused of blasphemy by the Jewish Synod and was condemned to death by stoning. Even in the face of a painful death, St. Stephen stayed true to his core beliefs and prayed - according to the Bible- for his persecutors. The College strives to imbibe the qualities of courage, conviction and sacrifice from St. Stephen and impart it to her students and to transform them to shine as crowns of the society.

### Our Founder

The life of His Grace Mar Thoma Dionysius of Blessed Memory is a source of inspiration for all of us in the family of Mount Tabor. His Grace was a pioneer in the educational field of Kerala. Half a century ago, His Grace laid the foundation for a Religio-Educational Centre at the beautiful hillock of Pathanapuram which he christened as 'Mount Tabor. His Grace was a student of Christ Church College, Oxford University during 1937-39. Dr. S. Radhakrishnan, former President of India, was one of his best friends there. Inspired by the noble educational traditions of western culture, His Grace wanted Mount Tabor to be the fountainhead of progress for the people around.

He was consecrated as Metropolitan in the year 1940 and continued in this ecclesiastical post for 32 years till his demise on 3rd December 1972. Besides being an episcopal leader, he was a philanthropist, humanist and a visionary educationist.

The valuable services rendered by Mount Tabor educational institutions, hospitals and orphanages testify his commitment for the cause of education and social welfare in the backward and underdeveloped areas of Kerala and Tamil Nadu.

**MINUTES OF THE COLLEGE GOVERNING BODY MEETING**  
**HELD ON 08/05/2016**

The Governing Body of St. Stephen's College, Pathanapuram held on 08-05- 2016 analysed the functioning of the college for the last two years and arrived at the following observations and decisions regarding students' political activities inside the Campus.

St Stephen's College, Pathanapuram, Kollam is a minority educational institution owned by the Society of the Order of Sacred Transfiguration, Mount Tabor, Pathanapuram. The College is situated in a very remote village, Maloor in Pathanapuram Taluk. The students who study in this college belong to very poor families. Many of them belong to socially backward castes and groups.

In March 2013, the college witnessed a series of clashes between different student unions which were supported by their parent political parties. Under such circumstances, the Management of the college was forced to approach the Court and on 04.03.2013, the Hon'ble High court of Kerala issued an interim Order vide No. WP(C) 5522/2013(M) directing the Sub- Inspector of Police, Pathanapuram to afford police protection for the smooth conduct of the college. This interim order was extended three times and the final verdict was on 25.11.2015.

The college had several issues of indiscipline and misconduct during this period of time. The already constituted College Council dealt with every issue and such cases were referred to the Enquiry Committee constituted by the College Council. The Enquiry Committee enquired into such instances and disciplinary actions were taken by the Council based on the enquiry reports. With regard to all

these cases, the issues were promptly reported to the Sub-Inspector, Circle Inspector and the Deputy Superintendent of Police.

During the last two academic years the college witnessed quite a few incidents, which disturbed classes and smooth functioning of the college. The management of the college noticed that such types of activities are against the smooth running of the college. The Parents Teachers Association of the college met on 24.02.2015 also recommended total ban of these types of political activities from the college. They also expressed anxiety over the safety of their children.

On the basis of above incidents and facts, the Governing body of the College held on 8-05- 2016 has decided to ban all political activities of students inside the campus to ensure smooth functioning of the college.

The Supreme Court in “University of Kerala Vs. Council of Principals” case reported in 2006 (8) SCC 304, has laid down several guidelines for maintenance of discipline and law and order in the College campus. As per the said guidelines, any instance of acute lawlessness should be reported to the police authorities at the earliest for initiating prompt action.
