

BEST PRACTICE -1

“SANJEEVANI”- LIFE SAVING PRACTICES.

1.1 BLOOD DONATION FORUM

The College has a very active Blood Donation forum functioning under the leadership of NCC and Department of Zoology. The forum inspires the students to care for one another and promote community relationships. The forum identifies the blood group of students and a register of the deputed students are maintained under strict secrecy and the needful persons can approach the authorities with relevant documents to prove the genuineness. The forum conducts awareness classes, regarding the norms of blood donation and obtains the consent from the ward and parent in the prescribed proforma. The blood donation forum was inaugurated on 7-8-2015 in St.Stephen's College Pathanapuram under the leadership of NCC unit of the college.

Inauguration of Blood Donation Forum

1.2 BLOOD DONATION CAMP

The Post Graduate and Research Department of Zoology organized a Blood Donation Camp in association with various nearby Hospitals and Medical colleges. The College conducts a blood donation camp in collaboration with Kerala State Aids Control. The students who donated blood were given certificates. The aim of the campaign is to highlight the key role of voluntary non-remunerated blood donation for strengthening social relationships and to boost the community participation towards a healthier society.

1.3 HEALTH CLUB- PALLIATIVE CARE UNIT “KARUTHAL”

The NSS unit and Health Club of our College started a Palliative Care Unit in association with Primary Health Center, Pattazhy Vadakkekara . The aim of the unit is to equip the students in providing human care and first aid facility to bed ridden people in the area. Palliative care training was given to students by the State Health Department. Selected Volunteers visited the houses of beneficiaries and provided them with necessary help and support.

Dialysis Kit distribution by N.S.S unit

Wheel chair Donation

BEST PRACTICE -2

“KAUSHAL VIKAS”- LEARN, DO AND EARN.

“Kaushal Vikas” is a programme aims at taking initiative for skill development and developing the attitude of self-employment among students. This programme enables them to enjoy the benefits of their own creativity by marketing it economically. This programme includes:

1. CRAFT MAKING
2. COMMERCE SQUARE

2.1 CRAFT MAKING

Recycling eco-friendly trash objects and recycling the waste materials is a commendable practice that creates value to the waste materials and promotes marketing skills among the students. The purpose of the programme is to develop skills among students by providing training for making useful items from waste materials and there by reduces environmental pollution. The motto of the programme is **“Use, Reuse thereby save our environment and develop skills.”**

On behalf of Kaushal Vikas, Women's Cell Unit and N.S.S Unit of our College organized an online Craft making and cookery training programme. Through this online exhibition the students exhibit bottle art, bead making, bangle making and paper flowers. As part of it they also conducted a cookery show.

2.2 COMMERCE SQUARE

Commerce square is a marketplace that focuses on providing opportunities to market the products which are made in the craft making practice. To support and motivate the students, an open space in front of the college is provided for exhibiting and marketing their products.

Virtual Exhibition

A Virtual Exhibition was organised by the Department of Commerce as part of the best practice (Kaushal Vikas) through google meet. The aim of the programme is to present the products made by the students as part of the craft making and also to provide an online market floor to sell their products.
